1. SIDE ART (GRAY AREA)

2" wide, 8.8.38" high

This side area can be customized with artwork.

In order to properly create your PhotoStamps sheets here is what we need:

- 1. SIDE ART**
Please supply 300 dpi JPEG at maximum image quality (RGB)
- 2. STAMP ART**
Please supply 300 dpi JPEG at maximum image quality (RGB). One JPEG for each different stamp design.
- 3. POSTAGE DENOMINATION COLOR**
Specify the HEX color value for your postage denomination.
- 4. STAMP ORDER**
If you have multiple stamp images on your sheet, please specify what order you'd like them to appear.

ART UPLOAD INSTRUCTIONS
Please zip your files into one package. Label the package with your company name and upload to:

<https://secureupload.stamps.com/marketing/>

Please email smueller@stamps.com once your upload has been completed.
